INDIVIDUAL EDUCATION PROGRAM (IEP)

Once a student is placed at the Maine Educational Center for the Deaf and Hard of Hearing/Governor Baxter School for the Deaf (MECDHH/GBSD), the student's Individual Education Program (IEP) shall define the special education and related services deemed appropriate for that student.

Each IEP shall be developed in accordance with the least restrictive educational alternative criteria set forth in Chapter 101, Section 9.2, and will contain all of the requirements as set forth in Chapter 101, Section 9.3.

MECDHH/GBSD recognizes the need to work closely with parents and the sending schools to assure careful management of the Individual Education Program.
